Dear Parents,

First, we'd like to thank you for buying these supplies for your child. Having these supplies on the first day of school will help your child feel prepared for second grade. Second, during the school year, please check with your child about the status of his/her supplies as they may need to be replenished at some point during the school year. Finally, this is the second grade*required* supply list. On the first day of school, or the week before school begins, you may receive a list from your child's teacher asking for supplies that your child's specific teacher requires.

Thanks again for your help, and we look forward to meeting you in the fall!

Sincerely,
Grade Two Teachers
