

# Birthday Book Bonanza!

Dear Families,

This year, I would like to celebrate your child's birthday in a unique way, and I hope you can help!

On your child's birthday, he or she will choose a book from the "Birthday Book Bin." In order to have the bin stocked with high-interest titles, I am asking for donations of one or two gently used books to our classroom collection. Classmates will all sign the chosen book to make it an extra-special gift!

If your child's birthday falls in the summer, don't worry! We will celebrate summer birthdays in June. Thank you for supporting this method of celebrating special occasions in our classroom!

Thanks again!

Miss Horne
