

Dear First Grader,

Welcome to the first grade! I am looking forward to our year together! I would like to invite you to come in for a meet and greet in our classroom on Tuesday August 30th from 12:15-12:45. This is a school wide event, so please have your parents refer to the school emails for parking areas. We are classroom number 8 in the Delaney School. It is across from the computer lab.

To get ready for the first day I would like for you to have your pencil box filled and ready to use. Please put the following in your pencil box:

- 24 count box of crayons
- Scissors
- One glue stick
- 2 sharpened pencils
- One eraser
- One dry erase marker

You may bring your pencil box and supplies to the meet and greet. If you can't make it please put them in a plastic bag and bring them the first day of school. If you lost the supply list you can pick one up at the Delaney office or look on the school website. **Please don't put your name on any of the supplies.**

If you like you can buy a special homework folder. This folder will be used for homework and notes from home and school.

If you are not taking the bus home I will need a note from your parents telling me otherwise. If the dismissal routine is permanent, such as the YMCA after school program, one note will be fine. If you are getting picked up have your parents write me a note telling me who will be picking you up. **It is a good idea to practice with your parents your bus number or where you will be going at the end of the day.**

We have snack every day. Please pack something healthy to eat and drink. As of now there are no students with a peanut allergy. However, to be on the safe side our class will be peanut safe, so please don't pack snacks with peanut butter. This will change if we don't have any new students with peanut allergies added to the class. Peanut butter can be eaten at lunch because there are peanut free tables. Lunch information can be found on the school website. I suggest prepaying your lunch. If you do bring money to buy lunch put it in a safe place in your backpack.

I am so excited for the start of school. This year we will be learning many different things and having a lot of fun along the way. I look forward to meeting you at the meet and greet. If you are unable to make it I will be waiting for you outside the classroom on September 1st. Enjoy the rest of your summer!

Your Teacher,
Mrs. Albertini ☺

If your parents have any questions for me they may e-mail me at albertinis@wrenthamschools.org.
