

# OCTOBER NEWSLETTER

Dear Parents,

The class is very excited that we have reading buddies in preschool. We will be meeting once a month. There was great excitement at our first meeting. You should be very proud of your children. They read a book to a preschooler and then they did a craft together. It was wonderful to see them interacting together! We are looking forward to our next visit in November when the preschoolers will visit our room.

In other exciting news, your children have picked out the piece of writing they will be working on to publish. They will be working on these for the next few weeks to create wonderful small moment stories. They have picked the seed idea, now the hard work of making the writing better and better begins!

**WANTED - Items for our class store. If you have any small items that you would like to donate to our class store, we would love to have them. We have a prize box that the students can pick from if they wish to buy something. Things like bookmarks, stickers, small toys, cool erasers, and small notepad types of things would be great. No need to buy anything special, but if you have some things around the house looking for a home, we would love to have them.**

**HALLOWEEN - The third grade does not do costumes for Halloween. We will be doing some Halloween type centers on October 31. The Head Room Parent, Mrs. Mischley, will be looking for some volunteers to help out on that day. She will be in touch.**

**Thanks for all of the birthday books that came in. They are greatly appreciated. Thanks also for all of your support.**

**Important dates: Recorder form and money is due on Friday, October 14.**

**WEATHER - Please watch the temperatures. It has been getting cold in the mornings and we do go outside. Please make sure your child has the appropriate sweatshirt or jacket.**

**As always, any questions or concerns, please be in touch!**
