

35 Massachusetts V.I.P. Museum

Project and Presentation

Step 1: Assigned 4/13/18

1. First go through the list of Massachusetts's Very Important People (attached).
2. Look for people that interest you. It is more important to be interested in learning about someone's life than picking someone you already know a lot about. For example, if you have an interest in science, maybe you should choose someone in the science category. Feel free to look someone up on the internet or in the encyclopedia to see what exactly they're famous for before picking! Many of the "unknowns" are featured on the school's website –click on *Student Resources*, then look under "All About Massachusetts," click on *Moments in Massachusetts History*. Look through the dates for some of the names!
Please note: If you have already done a project or report on someone, you will pick someone different.
3. Write 3 different names below of people you would like to study. *Make sure you discuss this with your parent(s) before turning it in.* You are choosing people you might "be" in our museum! We will choose 1 person from your list for you.
4. The form below must be returned, completed, on Wednesday, April 25th.

My 3 choices to recreate for the Massachusetts V.I.P. Museum are:

1. _____
2. _____
3. _____

Return on Wednesday, April 25th.
