## Reading Response Log

Directions: One of your daily homework assignments is to read 15 minutes a night and to fill in the required information. This sheet will be collected every *Monday morning*. You are then responsible for getting a new log for the week. Reading Response Logs can be found in the classroom and/or can be downloaded from my website. Please be aware that a Parent's Signature is required each night. Logs will NOT be accepted without signatures. Happy reading! 😊
