

Birthday Book Celebration!

Dear Families,

This year, I would like to celebrate your child's birthday in a unique way, and I hope you can help!

On your child's birthday, they will choose a book from our class "Birthday Book Bin." In order to have our bin stocked with high interest titles, I am asking for **donations of one or two gently used books** for our classroom collection. Classmates will all sign the chosen book to make it an extra special gift!

If your child's birthday falls in the summer, don't worry! We will be celebrating half birthdays throughout the school year. Thank you for your donations and supporting this method of celebrating birthdays in our classroom.

Thanks again!

Miss Jones
