

# Birthday Celebrations!

Dear Families,

August 2017

This year, I would like to celebrate your child's birthday in a unique way, and I hope you can help!

On your child's birthday, they will choose a book from the "Birthday Book Bin." **Please donate one or two gently used books to our class collection by Friday, September 30.** Classmates will all sign the book they choose to make it an extra-special gift.

If your child's birthday falls in the summer, don't worry! We will celebrate summer birthdays in June.

Thank you!

Mrs. Morgan 😊
