

Accidents

1. Remain calm and quiet. Listen carefully to the driver's instructions.
2. If the driver is incapacitated, follow the instructions of the teacher or chaperone.
3. If the driver is incapacitated and there are no teachers or chaperones present, and the bus has come to a complete stop students in the fifth and sixth grade may:
 - open the front door
 - evacuate the bus if necessary
 - encourage fellow students to remain at the scene
 - sound the horn
 - not move injured persons unless absolutely necessary, for example in the event of fire, smoke, gasoline odor or the bus is stopped on railroad tracks or in water
 - keep injured persons still, warm, and as comfortable as possible
