

Car Safety for the Driver

1. For the safety of our students, please remember to obey the 20 mile/hour speed limit on Taunton Street during school hours.
2. Do not park along the curbing in front of the schools. These are considered fire lines and must be available to emergency vehicles at all times.
3. Handicapped parking is available at the front of the Delaney School. Please respect the needs of the handicapped and refrain from parking in those spots without the proper authorization.
4. Traffic on the school premises can be very congested, especially during the start and end of the school day. Please refrain from distractions such as cell phone use.
5. Please follow state laws and have your child in the appropriate car seat and/or seatbelt.

Car Safety for Passengers

1. Observe all safety precautions when leaving/entering the car:
 - Do not push, pull, or chase any other pupils
 - If possible, avoid crossing streets
 - Whenever you must cross a street, do so only if you are sure that no moving vehicles are approaching from either direction
2. When in the car:
 - Keep your seatbelt or car seat securely fastened
 - Listen carefully and obey all directions issued by the driver.
