

## POLLY'S PETS

**Mrs. Haughey's class** is expressing their social responsibility this holiday season by taking care of sheltered pets. We have selected an animal donation drive as a way to show our citizenship, respect to our community and to give back to animals who provide us comfort. We invite you to participate in our holiday animal donation drive with us. Many pets are waiting at shelters to be adopted into their "Forever Homes." The animal shelters rely on donations from people like us to keep them warm all year. Your donation helps an underprivileged pet who is staying at a shelter stay warm, safe, and fed. We will deliver your donations to a local animal shelter.

Please send donations to the boxes outside **Mrs. Haughey's room, Roderick Room 3**. Please send in your donations by **December 14th**.

Thank you and have a wonderful Holiday Season!
