

CLASSROOM LESSONS IN S.E.L.

An exciting announcement!!! This year we have the privilege of going into your child's classroom on a regular basis to teach lessons in Social Emotional Learning. This proactive measure aligns as a Tier I Intervention within S.E.L. These lessons will be approximately 30-40 minutes and will encompass the 5 categories listed above. The students will be involved in direct teaching of concepts as well as hands on activities and small group skill building.

Wrentham Public Schools
School Counseling Department

Examples of Lesson Topics:

Unexpected and Expected behavior

Coping skills

Impulse control

Mindful breathing

Social coaching

Personal space

KINDERGARTEN AND FIRST GRADE LESSONS

We are supporting our youngsters with weekly classroom lessons to support their social/emotional development and learning.

Thank You for sharing your children with us!
