## SEASONAL LEASE INFORMATION

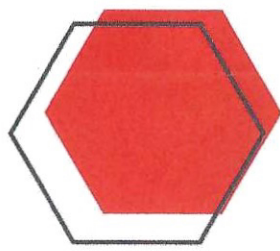

### ***SKIP THE LINES***

Avoid lines and spending part of your ski day in the rental shop. You keep the lease for the season, from pick-up day to April 2024.

### ***BUILD CONFIDENCE***

Using the same gear, fit uniquely to you, helps build confidence and skill.

### ***COST-EFFECTIVE***

The cost of a seasonal lease typically equates to the cost of 3 days of daily renting. If you plan get out there 3 or more days, you're saving money!

## VILLAGE SKI & SNOWBOARD Seasonal Lease | FAQ

### What's included in the lease?

*A ski lease will come with the skis, bindings, boots, and poles\* (\*poles are available while supplies last, first-come, first-served). A snowboard lease comes with the board, bindings, and boots.*

### What is the cost of the seasonal lease?

*Junior leases will range in price from \$150.00 - \$250.00 (pricing levels are determined by height, weight, and ability of the skier/rider). Adult leases are \$300.00. There will be an additional security deposit added, which gets returned to you when the equipment is returned to the store.*

### When do we bring the equipment back to the store?

*The deadline for lease returns is April 6, 2024 – when we close up for the spring/summer.*

### Do we need an appointment for a lease fitting?

*No – you can come in during any open hours (see [villageski.com](http://villageski.com) for updated hours) for a lease fitting. Be sure to bring your ski socks or purchase a pair in-store.*

### Do you run out of equipment?

*Yes! We send out around 2,000 sets of equipment each season and we always run out. We begin lease fittings in August. We recommend coming to the store by the end of October for a lease fitting. Please note – we always run out of snowboarding equipment earlier than ski!*

### Do you run any other junior programs?

*We also have a Junior Trade-In Program! Equipment purchased at the store can be traded-back to us as kids grow out of it. Please stop by or call the store to speak with an associate for more information!*
